

TLRV

Introduces the NEW...

ATOM's flexible design and rigid build give the mid-size truck camper segment a new contender.

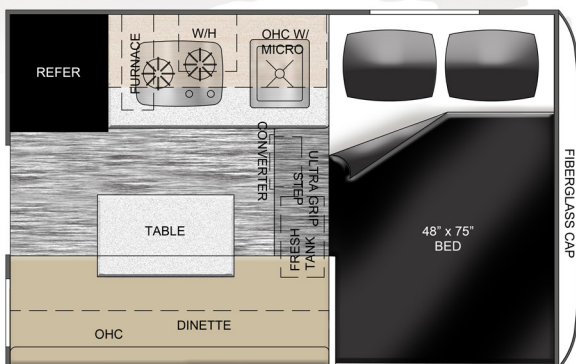

ATOM's laminated structure adds significant strength, while helping reduce weight. ATOM is built with versatility in mind. Whether it be the Jetboil portable camp stove or the quick disconnect power jacks, the ATOM is meant to be taken off the beaten path.

Laminated Structure • Quick Disconnect Power Jacks • **Easy travel weight** • Fitment full-size truck down to Gladiator and Maverick* Pending tie downs • **EZ Fit Floor** - Slightly narrower to make backing under easier

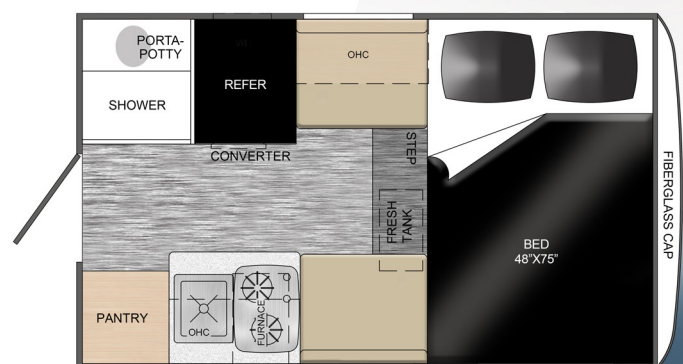

Dry Weight	990lbs*	Ext. Height (no A/C)	7'
Ext. Length	10'6"	Ext. Height (w/ A/C)	8'4"
Ext. Width	6'5"	Int. Height	6'7"
Ext. Floor Length	6'	C.O.G. (From Front)	24"
Ext. Floor Width	41"	Cabover Bed	48"x75"
Table	30"x18"	Fresh Water	13 gal

Dry Weight	1562lbs*	Ext. Height (no A/C)	7'
Ext. Length	12'3"	Ext. Height (w/ A/C)	8'4"
Ext. Width	6'5"	Int. Height	6'7"
Ext. Floor Length	5'3"	C.O.G. (From Front)	32"
Ext. Floor Width	41"	Cabover Bed	48"x75"
Table	30"x18"	Fresh Water	13 gal
